Jean-Baptiste GOSSOT

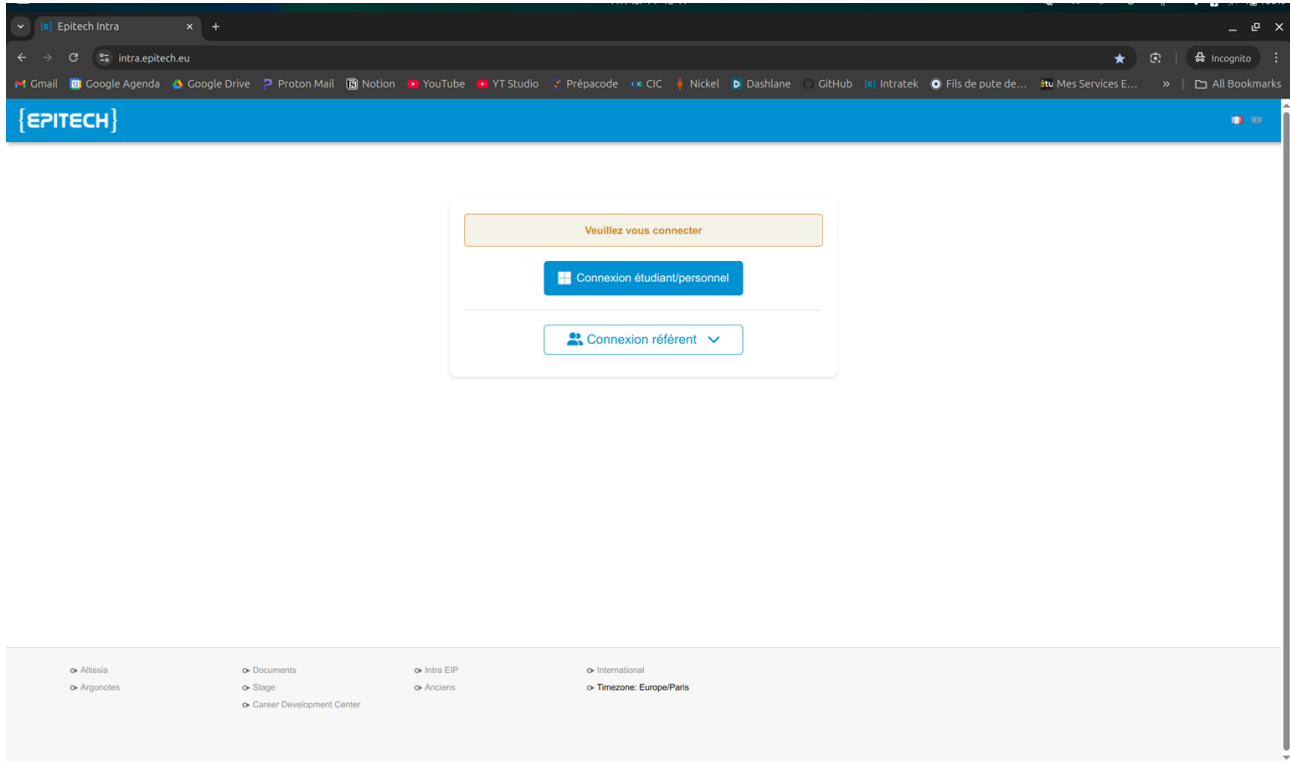

Fait pour le projet « Create an user guide »

1) Connexion à l'intra

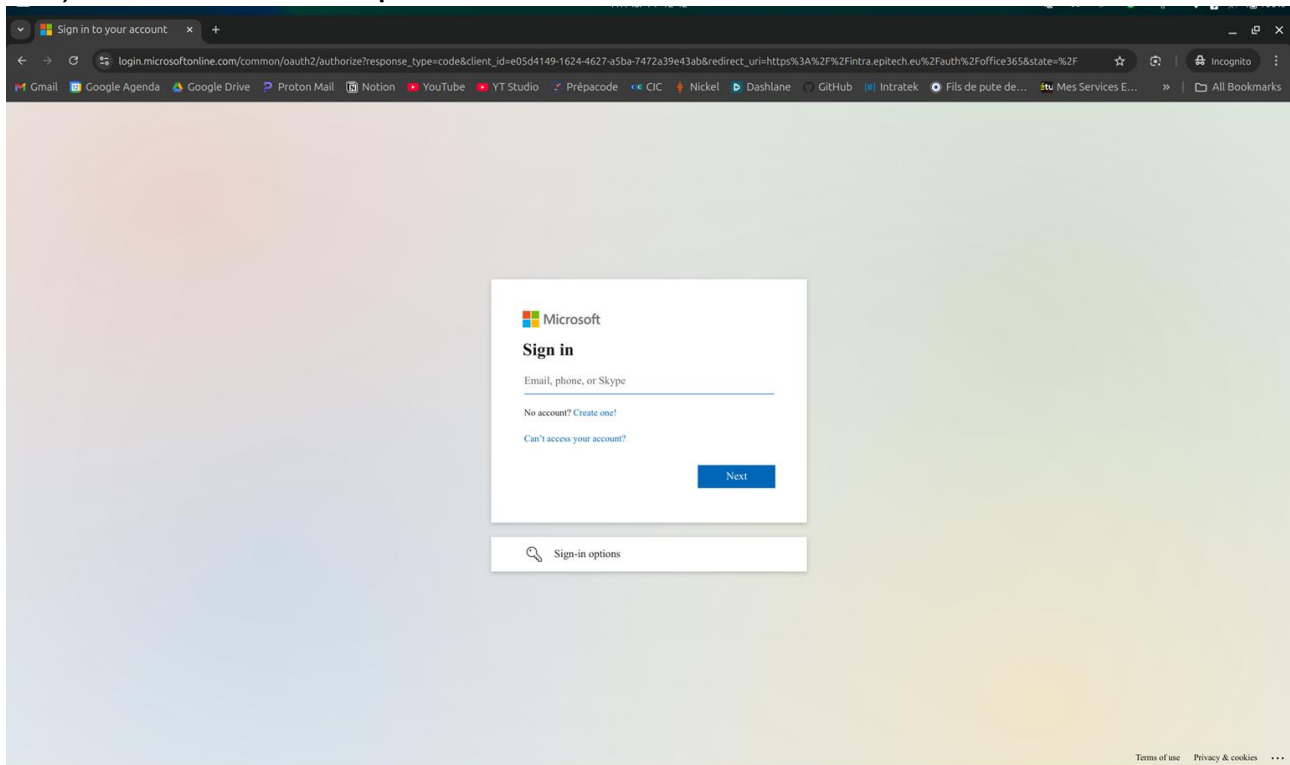

Aller sur l'URL intra.epitech.eu

1.1) Choisir sa méthode de connexion

Choisissez « Connexion étudiant/personnel » ou
« Student/staff login »

1.2) Utilisez son compte Office 365

Utiliser votre mail epitech sous la forme suivante :
prénom.nom@epitech.eu
Et votre mot de passe reçu par SMS.

Jean-Baptiste GOSSOT
Fait pour le projet « Create an user guide »

2) L'intranet

Après connexion vous arriverez sur cette page.

The screenshot shows the Epitech Intra dashboard for user Jean Baptiste GOSSOT. The interface is in French and features a blue header with navigation links: Modules, Planning, Profil, E-Learning, and Administration. The user's name and a welcome message are displayed in the top right corner.

Left Sidebar:

- Mes modules
- Mes notes
- Mon planning
- Trombi
- Stage
- Documents

Main Content Area:

- Projets:** A list of projects with progress bars and deadlines.
 - Altissia: 03/02/2025, 00h00 to 01/06/2025, 00h00
 - Project - Get That Internship: 10/02/2025, 00h00 to 23/03/2025, 23h42
 - Project - Pitch Your Video Game for Investor Funding: 10/02/2025, 00h00 to 23/03/2025, 23h42
 - Project - Plan An Epitech Trip Abroad: 10/02/2025, 00h00 to 23/03/2025, 23h42
 - Popeye: 14/02/2025, 08h42 to 07/03/2025, 19h42
 - Robot Factory: 15/02/2025, 08h42 to 07/03/2025, 19h42
 - MyWorld: 22/02/2025, 08h42 to 07/03/2025, 19h42
 - Writing an user guide: 01/03/2025, 08h42 to 14/03/2025, 19h42
 - Cuddle: 08/03/2025, 08h42 to 21/03/2025, 19h42
 - Stumper 2: 10/03/2025, 09h00 to 16/03/2025, 23h42
 - Solo Stumper 6: Voir plus (16 informations)
- modules:** A list of modules with progress bars and deadlines.
 - G2 - Introduction to Cyber Security: 30/12/2024 to 20/04/2025
 - G2 - Introduction to Data Analysis: 30/12/2024 to 20/04/2025
 - G2 - Introduction to Software Engineering: 30/12/2024 to 20/04/2025
- Activités:** A list of activities with progress bars and deadlines.
 - Kick-off - A-maze-d / G2 - Elementary programming in C: 17/03/2025, 09h30 to 17/03/2025, 10h00
 - Bootstrap - A-maze-d / G2 - Elementary programming in C: 17/03/2025, 10h00 to 17/03/2025, 12h30

- SUSIE:** A section for SUSIE.

Bottom Status Bar:

- Depuis 17 jours, 22 heures, 43 minutes, 10 secondes.
- Vous avez 26 crédits.
- Vous pouvez acquérir 31 crédits avec vos modules, ce qui ne vous permet pas d'atteindre votre objectif pour ce semestre de 60 crédits.
- Votre temps de log est inférieur à la normale (36.5 < 40).
- Que faire face à ces alertes ?

3) Inscription

3.1) Inscription à un module

The screenshot shows the Epitech user interface. The top navigation bar has a blue header with the Epitech logo and several tabs: Units (highlighted), Schedule, Profile, E-Learning, and Administration. The main content area is divided into two columns. The left column shows a list of units with progress bars and registration information. The right column shows a list of activities. The left sidebar contains a user profile section with the name Jean Baptiste GOSSOT and a list of navigation options: Units, Marks, My schedule, Yearbook, Internship, and Documents. Below the navigation options is a section with a progress bar and text indicating the user's progress towards 60 credits.

Cliquer sur Unit ou Modules selon la langue de l'intra

Dans l'encadrer rouge vous retrouverez les différents semestres et les différents modules. L'inscription au Module est obligatoire pour pouvoir accéder aux projets du modules

Prenons exemple du module « G2 – Introduction to Cyber Security »
L'étiquette à droite du nom est grisée, cela indique que je ne suis pas inscrit au module. Inscrivons-nous :

The screenshot shows the Epitech website interface. The top navigation bar includes 'Units', 'Schedule', 'Profile', 'E-Learning', and 'Administration'. The user is logged in as 'Jean Baptiste GOSSOT'. The left sidebar shows the 'Units' section with a list of courses for Semester 2. The 'G2 - Introduction to Cyber Security' course is highlighted with a red box. The main content area shows 'Current activities' for the selected course, listing various sessions and projects with their start and end dates. A summary at the bottom states: 'Registered to 3 project(s), 1 appointment(s) and 6 session(s) planned'.

Cliquez sur « Register » ou « S'inscrire »

The screenshot shows the Epitech website interface for the 'G2 - Introduction to Cyber Security' course. The top navigation bar includes 'Units', 'Schedule', 'Profile', 'E-Learning', and 'Administration'. The user is logged in as 'Jean Baptiste GOSSOT'. The left sidebar shows the 'Units' section with a list of courses for Semester 2. The 'G2 - Introduction to Cyber Security' course is highlighted with a red box. The main content area shows the course details, including a 'Register' button highlighted with a red box. Below the 'Register' button, there is a section for 'View registered' students, which is currently empty. The bottom section shows a list of activities for the course, including 'Pipeto', 'Kick-off - Pipeto', 'Bootstrap - Pipeto', 'Follow-up - Pipeto', 'Defense - Pipeto', 'Keynote - Pipeto', and 'Back To The Future - Pipeto'.

Vous êtes désormais inscrit, si vous souhaitez vous désinscrire vous avez juste à faire la même marche.

The screenshot displays the Epitech user interface. The top navigation bar is blue and contains the Epitech logo, a search bar, and links for Units, Schedule, Profile, E-Learning, and Administration. The user's name, Jean Baptiste GOSSOT, is displayed in the top right corner. The left sidebar is dark blue and contains a list of units, with 'G2 - Introduction to Cyber Security' selected. The main content area is white and shows the details for the 'G2 - Introduction to Cyber Security' module. It includes a progress bar, a list of activities, and a 'View registered' button. The activities list includes 'Kick-off - Pipeto', 'Bootstrap - Pipeto', 'Follow-up - Pipeto', 'Defense - Pipeto', 'Keynote - Pipeto', and 'Back To The Future - Pipeto'. The progress bar shows the user's progress in each activity.

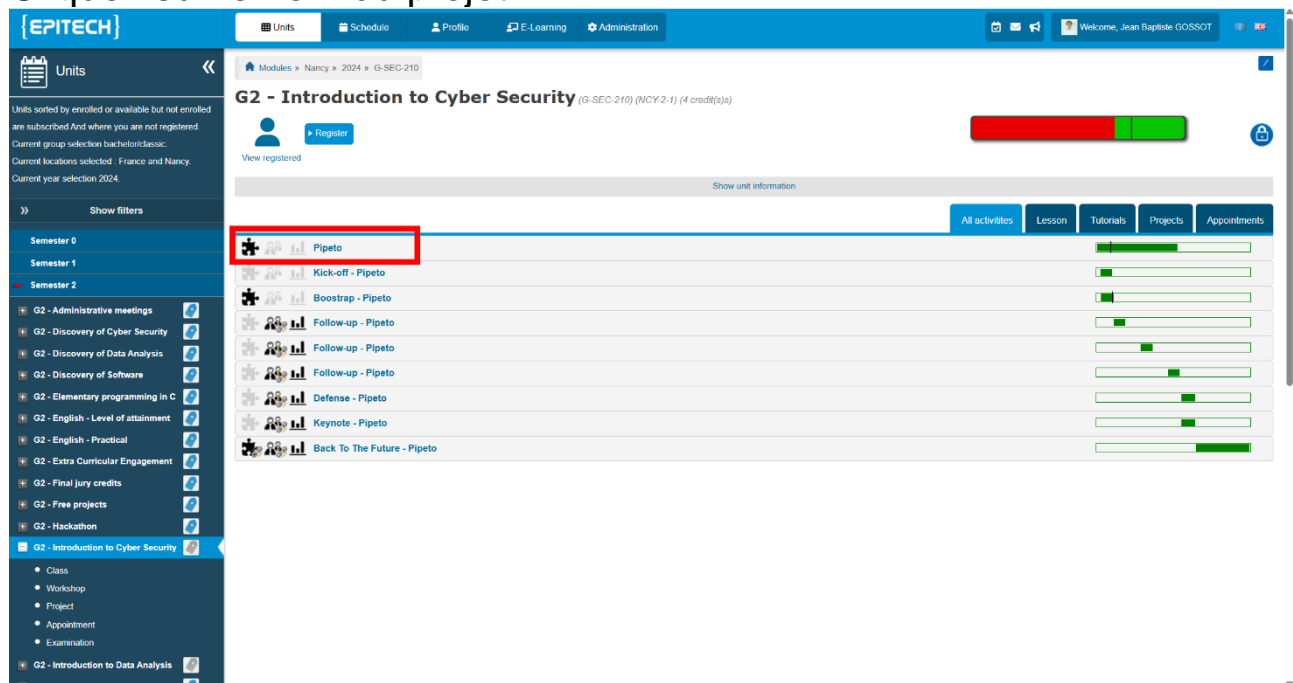

3.2) Inscription à un projet

Vous êtes désormais inscrit à votre module, mais comment on s'inscrit sur un projet ?

Reprenons l'exemple de tout à l'heure :

Essayons de s'inscrire au projet « Pepito » (J'espère que le gâteau était bon)

Cliquez sur le nom du projet

The screenshot shows the Epitech web application interface. The top navigation bar includes links for Units, Schedule, Profile, E-Learning, and Administration. The user is logged in as Jean Baptiste GOSSOT. The main content area displays the 'G2 - Introduction to Cyber Security' module page. The page shows a list of projects under the 'Projects' tab. The project 'Pepito' is highlighted with a red box. The page also shows a sidebar with navigation options and a top navigation bar with user information.

Project Name	Progress
Pepito	100%
Kick-off - Pepito	0%
Bootstrap - Pepito	0%
Follow-up - Pepito	0%
Follow-up - Pepito	0%
Follow-up - Pepito	0%
Defense - Pepito	0%
Keynote - Pepito	0%
Back To The Future - Pepito	0%

Jean-Baptiste GOSSOT

Fait pour le projet « Create an user guide »

Celui-ci devrait s'étendre comme cela :

The screenshot shows the Epitech web application interface. The top navigation bar includes links for Units, Schedule, Profile, E-Learning, and Administration. The left sidebar displays a list of units, with 'G2 - Introduction to Cyber Security' selected. The main content area shows the module title, a 'Register' button, and a progress bar. Below this, there are tabs for 'All activities', 'Lesson', 'Tutorials', 'Projects', and 'Appointments'. The 'Projects' tab is active, showing a list of projects with progress bars. A red box highlights the 'Project' button and the 'View project details' link. On the right, there is a 'General schedule' section with dates and a 'Registration Student required' warning.

Vous devez cliquer sur « View project details » ou « voir les détails du projets »

Vous arriverez sur cette toute nouvelle page.

The screenshot shows the Epitech web application interface. The top navigation bar includes links for Units, Schedule, Profile, E-Learning, and Administration. The left sidebar displays a list of units, with 'G2 - Introduction to Cyber Security' selected. The main content area shows the project title 'Pipeto (G2 - Introduction to Cyber Security) (NCY2-1)', a 'Call with Teams' button, and a 'Register' button. A yellow banner states: 'This project has not started yet, you cannot access this page. It will be available after the 12/04/2025, 08:42'. Below this, there is a 'Project description' section with no files available. On the right, there is a 'General schedule' section with dates and a 'Registration Student required' warning.

A droite vous avez différentes informations, comme les fins de l'inscription, le nombre de personne dans un groupe (les groupes de 1 existent), la date de rendu finale

Jean-Baptiste GOSSOT

Fait pour le projet « Create an user guide »

The screenshot shows the Epitech web interface. On the left is a sidebar with a 'Units' menu and a list of course units. The main content area displays the 'Pipeto' project details for 'G2 - Introduction to Cyber Security (NCY-2-1)'. A red box highlights a notification in the top right corner: 'This project ends in 70 day(s)', 'Registration ends on 19/04/2025, 08:00', 'Project to be carried out in group of 2 to 3 students', and 'This project has to be submitted on 23/05/2025, 19:42'. Below this, a yellow banner states: 'This project has not started yet, you cannot access this page. It will be available after the 12/04/2025, 08:42'. The 'Project description' section indicates 'No files available for this project' and 'No student registered to this project'. At the bottom, there is a 'Groups' section with the message 'No group registered to this project'.

Vers le milieu gauche vous trouverez les informations du projet, les fichiers du projets (le sujet, parfois des binaires de références etc...), et le nombre de groupes et d'inscrits

This screenshot is similar to the one above, showing the 'Pipeto' project page. A red box highlights the 'Project description' section, which contains the text: 'Project description:', 'No files available for this project', and 'No student registered to this project'. The rest of the page, including the sidebar, top navigation, and the 'Groups' section, is identical to the previous screenshot.

Pour s'inscrire vous n'avez qu'à cliquer sur « Register » ou « S'inscrire »

The screenshot shows the Epitech Pipeto interface. On the left is a sidebar with a 'Units' menu and a list of units for Semester 0, 1, and 2. The main content area displays the project 'Pipeto (G2 - Introduction to Cyber Security) (NCY-2-1)'. A red box highlights the 'Register' button, which is disabled (greyed out). A yellow banner states: 'This project has not started yet, you cannot access this page. It will be available after the 12/04/2025, 08:42'. Below this, the 'Project description' section indicates 'No files available for this project' and 'No student registered to this project'. At the bottom, the 'Groups' section shows 'No group registered to this project'. The top navigation bar includes links for Units, Schedule, Profile, E-Learning, and Administration. The top right corner shows a welcome message for Jean-Baptiste GOSSOT and project details: 'This project ends in 70 day(s)', 'Registration ends on 19/04/2025, 08:00', 'Project to be carried out in group of 2 to 3 students', and 'This project has to be submitted on 23/05/2025, 19:42'.

Attention : Si le bouton est grisé cela veut dire que les inscriptions au projet ne sont toujours pas ouvertes.

4) Glossaire :

- **Projet** : ensemble d'activités temporaires et uniques, organisées dans le but d'atteindre un objectif précis, dans un délai et avec des ressources définies.
- **Intra** : Site interne de l'école pour toute la pédagogie d'Epitech
- **Module** : Groupement de projet sur la même sensibilisation ou même groupe de technologie
- **Binaire de référence** : Fichier exécutable donné par l'école pour avoir des références de ce qu'on est sensé faire durant notre projet. Permet de faire des tests pour savoir tout les cas.
